DETAILED ACTION

The following is an examiner's statement of reasons for allowance:

Claims 1-22, 24 and 27-30 are allowable over the art of record as per the Board of Patent Appeals and Interferences decision dated June 15, 2004. Particularly, it appears that "In Gopinathan's system, the current transaction data and the customer data are pre-processed to derive fraud related variables which have been empirically determined to be effective predictors of fraud, rather than using the relevant information for a fraud match as claimed".

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
